

Green Cleaning Statement

Willington Public Schools, in compliance with the requirements of the State of Connecticut Public Act No. 09-81 regarding green cleaning products in schools, is providing this information on the green cleaning products used in our facilities.

Our ongoing Green Cleaning Program continues to reduce the exposure to building occupants from potentially hazardous products, equipment or procedures which could adversely affect human health and the environment, indoors and outdoors.

The components of our Green Cleaning Program as required by Connecticut Public Act No. 09-81 include:

- A description and names of environmentally preferable cleaning products being used in the schools.
- The location and application of where cleaning products are used.
- The schedule or frequency of when such cleaning products are applied.
- Eliminate and monitor cleaning products being brought in from outside unauthorized sources as required by Connecticut Public Act No. 09-81 **“No parent, guardian, teacher or staff member may bring into the school facility any consumer product which is intended to clean, deodorize, sanitize or disinfect.”**
- The name of the designee who may be contacted for further information will be provided.
