December 8, 2009

Dear Parents & Guardians,

The cold weather has arrived! While many of us welcome this change in season, the fluctuating temperatures throughout the day can present the challenge of wearing the proper clothing for the day; especially for keeping warm during recess time at school. Only inclement weather or temperatures below 20 degrees (factoring wind chill) will keep the students inside. Therefore, it is important for the students to dress appropriately to be outside at recess time.

We ask you to send your children to school with suitable clothing. Winter coats, hats, and gloves or mittens are essential this time of the year. Snow pants and boots are also necessary so that students can play in the snow and fully enjoy the season. Please be sure to label all clothing so it can be returned if lost or misplaced.

The entire staff appreciates your assistance in this matter. Please contact me with any questions or concerns you may have.

Sincerely,

Colin McNamara  
Principal
