

Mission-Goals-Objectives

Five Year Plan: July 2008 to June 2013

The goals for the Willington Public School District in the following areas will be:

Curriculum and Instruction

Goal: align District curricula such that the District meets or exceeds state standards.

Community Relations

Goal: maintain a comprehensive communication and public relations plan that promotes two-way communication and which involves the entire community.

Personnel

Goal: maintain a highly-qualified and highly motivated staff.

Business and Finance

Goal: continue a sound, multi-year financial plan which will assure adequate funds to support District goals, programs and building needs.

Facilities and Equipment

Goal: develop a comprehensive building and grounds maintenance, management and expansion program to support District goals, programs, and needs.
